⬇ Download - Remote Desktop Client

- ⊞ Windows 10 / 8.1 - Not needed, already built in
- 🍎 Mac OS
- 🍎 iPad / iPhone (tip: use safari browser)
- 🐧 Chromebook / android

Pool: M122   Total Seats: 18   Available:18   In Use: 0

New Reservation

M122 - Brinellvägen 23, Bergs, våningsplan 1, KTH Campus

Welcome - Please Read

This room have Extended idle time, due to simulation / calculation needs. This is temporary and may change.

You are about to connect to another computer over the internet. By clicking the button below you agree to use this service to complete class assignments.

Take Note

- Network issues can cause disconnects. **Save your work often**
- Just like the campus labs, do NOT save to the local C. **Save to your H: or other network location**
- **Extended idle time:** You will be **automatically logged off** from Remote Lab after **4** hours of idle time
  The only way to connect to Remote Lab is through this website
- You are responsible for your work. Save your work often.

Thank you and Enjoy! - KTH IT Support
